

Application No. 09/878,707  
Amendment dated November 6, 2007  
Filed Preliminarily after RCE of September 24, 2007

**REMARKS**

On October 2, 2007 the Examiner allowed an interview concerning this application. Although no specific agreement was reached, claims 1, 4 and 11-13 have been hereby amended in accordance with concepts discussed in the interview according to Applicants' understanding of the interview discussions. Applicants respectfully submit that claims 1, 3-19 as amended are patentably distinct over the prior art of record. With regard to any double patenting rejection, Assignee stands ready to execute a terminal disclaimer.

Wherefore, in view of the foregoing amendments and remarks, this application is considered to be in condition for allowance, and an early reconsideration and a Notice of Allowance are earnestly solicited.

This Amendment does not increase the number of independent claims, does not increase the total number of claims, and does not present any multiple dependency claims. Accordingly, no fee based on the number or type of claims is currently due. However, if a fee, other than the issue fee, is due, please charge this fee to Sidley Austin LLP Deposit Account No. 18-1260.

If an extension of time is required to enable this document to be timely filed and there is no separate Petition for Extension of Time filed herewith, this document is to be construed as also constituting a Petition for Extension of Time Under 37 C.F.R. § 1.136(a) for a period of time sufficient to enable this document to be timely filed.
